MY ACADEMIC BACKGROUND AND PROFESSIONAL ACTIVITY

My name is Veronica Huacuja (pronounced wu-a-koo-ha). I'm a plastic artist* and a seasoned online art teacher. I have a Bachelor's Degree in Industrial Design. I hold two Masters' Degrees, one in Education and another in Social Responsibility.

I'm an author of children's books for McGraw-Hill, Santillana Editores, and Editorial Trillas.

Besides the aforementioned, since 2009, I founded and direct an educational consulting firm, multimediosintegrales.com, where I've developed **Art & Mindfulness for Business Groups. Virtual Program for Creativity and Well-being.**

Thank you for reading.
